Editor’s Comment

As the saying goes, “April showers bring May flowers!” With all this recent rain, the flowers that grow will be, hopefully, of the variety deer do not enjoy munching on! Often, I see Alpiners walking around our beautiful community on bright, sunshiny days. What a great way to exercise! But, on those rainy days, make sure to visit our newly renovated gym. Very impressive! No matter what machine you choose to use, there is a wonderful view of the lake. In my opinion, that’s much better than looking at yourself in a mirror (like in the former gym) as you sweat away the pounds. So, after you sweat away those pounds, it’s time to eat a delicious high protein breakfast at SEASONS. Currently, they are opened Friday-Sunday mornings, 7am-10:30am. Give them a try. All race horses have been purchased for Alpine’s very own Kentucky Derby on May 7th. Make sure to save that date. It’s always fun and you could win a little moola! As usual, there are lots of events on and off our campus scheduled through June. PLEASE, please thoroughly read this issue of FWIW so you don’t miss an event! One last thought: Although I was unable to attend, I heard that the Seder last Sunday night was a huge success. Those who did attend were very impressed with the traditional prayers, songs and, of course, food. The evening, so I was told, brought a feeling of peaceful camaraderie. A big “thank you” goes out to Sheila Amato for organizing the Seder and all the attendees who cooked, donated wine/beverages, etc. I hope it will become an annual tradition at Alpine. That’s it and see you around the Lake!

The next FWIW will be issued on Friday, May 13th. Please email all articles to me, Janice Nelson, at mamaj11@yahoo.com, or use the FWIW box on the lobby counter. Please keep your article brief so we can fit all the news in each issue. Thanks for your cooperation and participation. Enjoy!

THOUGHTS, PRAYERS AND THANK YOU MESSAGES

This section of FWIW is one of the best loved because it gives us an opportunity to keep up with our neighbors and friends by reporting good news as well as offering support when folks are going through difficult times. Thank you for passing along updates and news, with permission.

“Many thanks to Fred Isennock, Herman Mason and all others that helped with building ramps at my house. It was greatly appreciated.” – Darrell Shaffer

**************************

We know there are others in our community who are dealing with various challenges, and we extend heartfelt prayers, thoughts and good wishes to all of them. Alpine is a caring community and the support is unending. Remember, life is easier when we multiply the joy and divide the grief. Blessings to all.

Anticipate his future deliveries of flowers to plant... he always has a wonderful selection and his prices are very reasonable. Be on the lookout for an email message on the Friday before his delivery date to place your order. If you would like to be added to this list (or removed from it), please let me know.

Jennie Kahly from Possum Tail Farms comes to the Lodge on alternate Wednesdays around 11am to sell her organic eggs and organically raised meat. You can place orders and pay her directly via her messages on the Friends of Alpine Lake Facebook page or directly online at [http://www.possumtailfarm.com/](http://www.possumtailfarm.com/)

OF INTEREST TO OUR COMMUNITY

SEASONS RESTAURANT AND LOUNGE by Liz Daniels

Time seems to fly by. We just passed out first three months and getting ready to head into our busy months. There has been some confusion as to our hours of operation so we wanted to clarify them. We are currently open for breakfast Friday, Saturday and Sundays at 7am thru 10:30am (we posted till 11am and will honor that but stopping at 10:30 gives the cooks time to change over to lunch) and will remain open thru the day and evening on these days. We are still opening at 4pm Monday thru Thursday for now. Our goal is to open at 7am seven days a week the first of May. We are having difficulty attracting help to cover all of the shifts we have available. Our closing hours are normally 9pm and later on weekends depending upon the crowd.

Paul Burger will be playing in the lounge this Saturday, April 30th from 7pm-10pm. Please come and spend the evening with us. We will be celebrating Cinco de Mayo on Thursday, May 5th with the Masons and Mexican specials. See Mother’s Day Specials on May 8th in this issue and don’t forget our Craft Beer Feast on May 14th, starting at 4pm. Sample a craft beer with each course of a meal starting with Hot Wings as the appetizer, salad, SEASONS burger with hand cut French fries and apple pie/ice cream for dessert for just $20. We’ll be having a DJ this evening as well, so come out and spend the evening with us even if you don’t partake in the craft beer.

We are working on a wine/dinner tasting in June and a murder mystery dinner to schedule.

NEW DIGITAL PHONE DIRECTORY by Rich Nelson, Webmaster

A searchable phone directory has now been added to the property owner’s section of our website. The directory features all home and lot owners and should always be up-to-date (please continue to forward all additions, corrections and deletions to Nina Sheets or Charlotte Wiles). Please check to see if your current listing is correct.

SHRINERS’ VIDALIA ONIONS

Taking orders now for May delivery. Call or see Dave Wilson – (304)789-6821 – 10# - $10
**BLOOD DRIVE**

The next blood mobile is set for May 26th. It’s Noon to 5:30pm at the Ambulance Hall.

**INSECT CONTROL by John Laing**

Insects are moving around and with the concern over the Zika virus, mosquito control is especially important this year. Mosquitoes lay up to 250 eggs at a time in still water which hatch in 7 to 15 days. During the off season, mosquitoes can lay dormant for up to one year. If standing water is eliminated weekly, including bird baths and drip trays under plant pots, many mosquitoes will be kept from breeding in the first place. So if you are anti-mosquito, then start by getting rid of these breeding grounds in your yard.

**TERRA ALTA FOOD BANK**

There is an ongoing need to replenish supplies at our local food bank so please add your donations whenever you can to help this worthy cause. There is a box inside the front foyer of the Lodge for your convenience. Please continue to be generous in your giving.

Reminder: Please check the Alpine Lake Telephone book for the accuracy of your address, phone number, email, etc. All additions, corrections and deletions must be submitted to Nina Sheets or me by the first week in June. We will be updating and printing a new Alpine Lake telephone directory for 2016/2017 and it will be distributed at the annual June board meeting.

BEAUTIFICATION COMMITTEE by Sally Rocchi

The Beautification Committee met Wednesday and reviewed the projects it will undertake for this season. One project that we need someone to lead is the Service Directory. Please let Sally know if you would care to take of this easy project. Contact me at (304) 789-5408 or sallyrocchi@yahoo.com

ECC by Dick Gallagher

Please submit all permit applications for summer work as soon as possible. All of our regular contractors already have several jobs lined up, so if you want work done this summer, get on their list quickly. Driveway paving is a two-step process, so that one should be coordinated with your contractor well in advance of the proposed work date.

A reminder: Declaration of Restrictions, General Prohibitions and Restrictions 8 (s): No outside burning of wood, leaves, trash, garbage or household refuse shall be permitted. The Property Owner’s Handbook 2011 and 2015, p. 16, # 19, added the phrase (to include camp fires). The ECC will only support the governing documents.
ALPUC NEWS by Kim Mayne, General Manager

Spring is here and we have begun flushing fire hydrants throughout Alpine. Also with the good weather, we will make enhancements to the system by installing a few new valves.

We are gearing up for the annual meeting to be held on June 25th at the Lodge. The ALPUC meeting will begin at 9am and we hope to see every one of you there. As previously announced, one board member seat expires this year. The deadline for ALPUC members to submit their name to the nomination committee to run for the position was April 15th. Kay Bayer is the only candidate who chose to run for her own expiring term. As a result, absentee ballots will not be mailed with the April billing.

In addition, as section 4.3 of the ALPUC by-laws read, “Any person not nominated by the nominating committee may file a nomination petition with the secretary of the board of directors to be considered as a candidate for a seat on the board of directors; provided that such nominating petition is delivered to the Corporation’s principal office at least six (6) days before the meeting at which the directors will be elected. The members shall then select from the pool of candidates the new directors of the Corporation.” If no member submits a nominating petition by 3pm, June 19th, Kay Bayer will be automatically re-appointed for a term of three years.

PROPERTY OWNER’S COMMITTEE by Bernie and Birgit Stock

We first want to thank the 13 PO's who helped with the Alpine Road cleanup last week. Sixteen bags and six tires were collected in 2+ hours. Let's hope it stays clean for a while. We'll do it again in late June.

Aluminum cans will be recycled again. Bring your tightly bagged (crushed, if you can—aluminum only) cans to the bin behind the golf cart area. Thank you!

Our first Carry-In Picnic was held at the Boathouse last Thursday. There were some thirty-five PO's in attendance. It was nice to get together again. Remember, we have it on the third Thursday of each month through October. See you next time.

Our annual Kentucky Derby Party/Fundraiser for property owners and their guests is next Saturday, May 7th, starting at 2:30pm. See the flyers at the mailboxes and in this FWIW. All the horses for the Alpine Races have sold but there will be ample opportunity to wager at the Boathouse. There will be great food and beverages for sale (carry-out as well) and an afternoon to remember. Also prizes for best hats and outfits. GET YOUR HORSE OVER TO THE BOATHOUSE FOR A GOOD TIME.

VOLUNTEERS ARE STILL NEEDED FOR THIS EVENT!
NOMINATIONS AND ELECTIONS COMMITTEE by Boris Nazaroff

2016 Board of Directors Positions

The following members of the ALPOA in good standing have officially announced their candidacy for the ALPOA board:

    Pat Arnone    Xaver Gramkow    Craig Stevens    Ginger Tucker

We thank them for their willingness to serve and wish them well. Their biographies are provided in the Newsletter and in the Community Chat. They will be elected at the ALPOA annual meeting to be held on Saturday June 25, 2016, at 10AM in the Lodge. Members of the association in good standing who wish to vote by Absentee Ballot must request a ballot starting on May 1st by mail, email, or telephone from the Business Manager, Ms. Tammy Heavner, Alpine Lake Property Owners Association, Inc., 700 West Alpine Drive, Terra Alta, WV 26764, Email tammyheavner@alpinelake.com, Tel. 304-789-2481 ext. 151. The ballot must be returned by U.S. Mail/FEDEX/UPS to Tammy Heavner at the above address so that the committee receives it no later than 5pm, Wednesday, June 22nd, 2016. Instructions on how to submit the ballot are included in the ballot.

Property owners may query board candidates prior to “Meet the Candidates Night” using Community Chat from June 1st-15th. You are reminded that candidates are one of seven board members and may not have all the answers or be familiar with past actions therefore a lack of response should not be considered as an effort to evade a question as candidates have varied backgrounds and history with Alpine Lake.

This venue should not be considered a debate with endless back and forth. A property owner may ask the candidates a question and if the answer is not clear they can then submit a clarifying question.

We remind all that we are neighbors and friends and wish all discourse to be respectful and courteous.

FROM MANAGEMENT & STAFF

Linette Sines – Interim General Manager

I think spring is finally here and the grass is turning a wonderful shade of green! Chester, and the golf course crew, are busy mowing the golf course—and we are looking forward to hosting many golfers this season. Remember that three different levels of golf memberships are available for purchase here at Alpine Lake. For more information, stop by the Front Desk, Pro Shop or online at www.alpinelake.com.

Please remember to sign in when you use the pool so we can keep an accurate number of owners/hotel guests/renters/employees using the pool. Remember that the locker rooms are not a secure place to leave your valuables. If you bring valuables with you, you may want to bring a lock so you can lock your items up in a locker while you are swimming.
We still have people that are ignoring the "Emergency Exit Only" signs located on the two side doors in the pool area that lead directly outside. We have now installed alarms on those doors that will sound when opened. Hopefully, this will deter individuals from using the unauthorized exits.

Boat stickers will be available for purchase at the front desk on May 1st. Stickers remain at $42.40 (including tax) this year. Registration forms will also be enclosed in your assessment billing should you wish to purchase via mail. Purchased stickers will be held at the Front Desk for pick up.

A quick reminder that assessment bills for the 2016/17 assessment year should be in your possession next week, with a payment due date of 5/15. If you choose quarterly or semi-annual options, subsequent payments will be due July 15th, September 15th and December 1st.

There are still several weekend dates and many weekday dates available at the Boathouse. If you are interested in booking this beautiful venue for family reunions, birthday parties or other events, please call our Marketing Coordinator, John Corbin at (304) 789-2481 ext 152.

Community Pride Day is scheduled for Saturday, May 15th. We can use as many owners as possible! There is a sign-up sheet at the front desk (any time after Friday) or you can drop me an email if you are willing to help. I encourage everyone to donate a few hours of their time to help the community. It is also a great way to meet your neighbors and form new friendships. Coffee and pastries will be provided in the morning to get you started and lunch will be served to all the volunteers.

On another note, keep saving those Box Tops. With your help, the Terra Alta/East Preston PTO was able to earn over $1,300 this school year! You can drop off any clipped Box Tops to me at the Lodge.

**ALPOA BOARD NEWS**

**PRESIDENT'S REPORT** – by Ginger Tucker, President

Spring has finally arrived, the trees are leafing, and the flowers are blooming. We are welcoming our summer visitors and hoping for the best summer season yet.

The Board approved the 2016/17 budget at the property owners meeting on 16th April. We also approved a revised quarterly assessment payment plan with payments due on 15th May, 15th July, 15th September and 1st December. Our hope is that this schedule will allow us to more effectively plan expenditures, so that we can limit the use of our line of credit.

The Communication Ad hoc committee recommended and the Board approved revising the Newsletter format and publication schedule. The Newsletter will now be published March, June, September and December and will be 8 pages with color ads and special articles. The first issue will be published in June.

Please take a moment to notify the Interim General Manager of your interest in receiving Prodigi broadband capability. We need to have 250 homes interested before they can begin installation. The pamphlet and application are located at the front desk in the lodge and were in the 15th April FWIW.

To round out the Board article in this issue, we approved hosting an open mic music event two times a month on the 2nd and 4th Thursday of the month from May through September at the Boathouse from 6pm to 9pm. A tip jar will be conveniently located to collect a small donation to offset the cost of the evening. Opening night is Thursday, May 12th at 6pm. Bring your snacks, drinks and serve ware and enjoy the music and camaraderie with the best scenery in Alpine Lake on summer evenings.
